We accept personal checks with valid identification. Our policy is that all deductibles and co-payment be made at the time of the procedure. Payment Plans

To further assist our patients, we offer a payment plan through [CARE CREDIT](#). This payment plan allows you to make payments to Care Credit with no interest. Our office pays a fee for each patient that has a Care Credit account. You must pay your balance within the negotiated time to prevent any fees to your Care Credit account.
